

SCUBA DIVING PRIVATE EXCURSION

Explore the world underneath the surface of the Ionian Sea with this private four-hour scuba diving in Zakynthos excursion at the marvelous Keri caves and the Marathonisi island.

SUMMARY

- Diving takes place in Laganas Bay.
- The customers are provided with all the necessary diving equipment.
- The boats used are diving-specific and provide comfort and safety to the passengers.
- The capacity of the boat is 1 - 10 persons.
- The cost of this private excursion depends on the duration. Starting price is 450€ for 4 hours.
- All our dives are lead by professional divers that know the dive sites and look after your comfort and safety.
- If you want to accompany someone but not dive, you can just stay on the boat, or take a swim or even a mask to enjoy the bottom.
- Our equipment is subject to all the legal inspections in every year.
- Our instructors are experienced and legally certified.
- Our boats depart from the beach of Laganas. We offer the options either to pick you up from the offices of our Travel agency ISALA on the coastal road of Zakynthos town, or from your place of accommodation (a small fee will apply).
